A note from the President

Hello ARMA Milwaukee! As Labor Day passes and the kids are back to school, we are reminded of that the Summer is ending and Fall is right around the corner. As a Fall child I never minded the cooler weather as my ‘go to’ outfit outside of work is a hoodie and shorts - and even socks with sandals (yep, I’m one of those odd guys 😊).

With the new season we thought it would be a good idea to kick off a monthly newsletter to stay in touch with our ARMA family. Past President Rick Gureski would do the Milwaukee Talkee back in the day and I loved the idea of bringing it back in newsletter form. Please take a look and reach out with any ideas on additional information you would like to see on a monthly basis. Thanks! - Mike Kaye

September Meeting

Our friends over at ARMA Mid-Michigan have invited us to be a part of their September meeting, which is going to be a look into Facial Recognition technology. I’m excited to learn how it works and what effects it will have on records and privacy. The meeting is a web event taking place on September 23rd. Here’s the rundown:

Brittany Prescott from the Michigan State Police Biometrics and Identification Division is joining us for a dive into the fascinating world of facial recognition. She will provide an overview of the technology, how it works, how it is used, and the services her division provides to assist law enforcement.

To attend, please RSVP by September 22nd to MidMichiganARMA@gmail.com.

CONGRATULATIONS!

Join us in congratulating ARMA Milwaukee’s very own Shirley Derrick (current ARMA Milwaukee VP) on successfully attaining her CRA! For anyone who doesn’t know Shirley (please do, cause she’s great!), she is currently the Senior Records Analyst at Harley-Davidson Motor Company and earned her master’s degree in Library and Information Science from the University of
Wisconsin-Milwaukee and a master’s degree in Business Administration from Cardinal Stritch University. She now adds CRA to her achievements and I have a feeling we’ll be congratulating her again many times more in the future!

If you know of any achievements by fellow ARMA Milwaukee members, please share them and we’ll be happy to highlight them in future newsletters.

AWARDS!

We’re pleased to announce that ARMA Milwaukee will be recognized at ARMA International’s InfoCon Award Ceremony as a winner of the Standing Ovation Award! The catalyst for our win was directly due to setting up the Spring Seminar Mania, which is an event we are all especially proud of, and we thank all of you who were able to attend! In addition, all 12 chapters that participated will also be recognized. Very exciting!

We also have our own awards to give out in the future, so please stop on by the website and take a look at the awards page. We would love for you to nominate a deserving person or company.

https://armamilwaukee.org/award-categories/

Due to the concern over the safety of the ARMA Community, InfoCon 2021 will transition to a fully virtual format. This transition applies to all InfoCon meetings and events that were scheduled in Houston. InfoCon will be held on October 17th through the 20th. You can sign up here: https://armainfocon.org/infocon-home

JOB OPPORTUNITIES

Here is a link to ARMA International’s Career HQ. I’ve gone ahead and narrowed the results down to 200 miles within the Milwaukee area.

JOBS

If you know of any openings that are not listed, please reach out to the ARMA Milwaukee board at ARMABoardMilwaukee@outlook.com and we’ll be sure to get it posted in the newsletter and our website at https://armamilwaukee.org/

Closing

Thank you for reading this month’s Milwaukee Talkee! We would be happy to hear your feedback and any suggestions for future content.
