

ARMA Milwaukee Talkee November/December 2022

A letter from the President

Hello ARMA Milwaukee!

I hope everyone has been able to fully appreciate the summerlike weather in between our normal fall temperatures. As November is upon us, it is hard to believe that the holidays are coming fast. As we replace the pumpkin spice lattes with gingerbread lattes or whatever your beverage preference, we reflect on another successful year for the ARMA community. This is the last newsletter of 2022, but our board is busy as elves planning more programming for the coming year. In the meantime, even though it does feel a bit early, enjoy the holiday season and Happy New Year!

NOVEMBER MEETING

Join us virtually on Wednesday, November 16, 2022, from 2:00pm to 1:00pm featuring Brian Nowak and Omero Banuelos from Access with the topic of “How Privacy Laws Impact Your Retention Schedule.” Privacy Law is one of the top trends, so you do not want to miss this presentation.

To attend this free event please register at this link: [Event Registration](#)

DECEMBER MEETING

Our winter series will be back starting in December. The series will feature three months of virtual educational content. Watch for more details on our featured speakers, dates and upcoming registration coming soon.
