

ARMA Milwaukee Talkee January/February 2023

A letter from the President

Hello ARMA Milwaukee!

Welcome to 2023! I hope everyone enjoyed the holiday season and are ready for the new year. ARMA Milwaukee is celebrating 75 years and as one of the first chapters chartered, we are proud to start the new year celebrating our success as a chapter. Stay tuned for more exciting programming as we enter this milestone year.

WINTER SERIES

We kicked off our virtual Winter Series on December 13 and featured David Drever's Building Your RIM Foundation. David discussed the WHY, WHO, WHEN, and WHERE of the basics of Records Management and how it can be accomplished in Microsoft 365.

David is returning on January 17, to discuss how to move beyond the "created date" by Modernizing Your Data Retention.

On February 14, Teresa Drabenstadt, MBA, IGP, CISA, PMP, presents About IG + IT = ❤️ ? (OR 😡 ?). Teresa will focus on how to reboot your Information Governance program through assessment tools.

Our Winter Series is guaranteed to be hot topics to focus on in 2023!

To attend these free virtual events please register at this link: [Winter Series](#)

BOARD MEMBER RECRUITMENT!

As the New Year begins, we are shamelessly borrowing the Uncle Sam iconic campaign slogan with a bit of modification in our "We Want You" recruitment. ARMA Milwaukee is recruiting fellow ARMA members to join our local Board of Directors. If you have always wanted to be involved and share your talents with your local ARMA community, consider joining us to continue our mission of advancing our profession. The nominations are open now to be submitted in April for candidates. Elections are held in May/June for Board appointments beginning on July 1, 2023.
